I want to hold you in my arms
Till you say turn you lose.
I want to do the things for you
Till you say it aint no use.
I want to wake you every morning
With a good morning kiss.
I want to kiss you to sleep the same way
Cause I know you like this.
I want to do everything for you
Cause that's all that man can do
When he loves a woman like I love you.
And I love ya, love ya
I love ya, love ya, love ya,
I love ya, love ya... love ya
Ooo... eee, yes I love you.
I want to say sweet things to you
Till you say I said enough.
I want to stand right by your side
When the goin gets tough.
I want to mend your broken heart
Till you say the hurt is gone.

I want to stay with you always
So that you wont be alone.
I want to do everything for you
Cause that's all that man can do
When he loves a woman like I love you.
And I love ya, love ya, love ya
Love ya, love ya... love ya
Ooo... eee... like I love you.
I want to work for you every day
Till you say come home and rest.
I want to buy you pretty things
So you can look your best.
I want to take you everywhere
So the world can see what I got.
I want to treat you with tender love
Till you say I've got to stop.
I want to do everything for you
Cause that's all that man can do
When he loves a woman like I love you.
And I love ya love ya, love ya, love ya
Yes, I love ya, love ya
Love ya
