Deejay, wanna hear the music play,
Open up your tower
Today, Gonna dance my blues away
Until the early hour

Another one done gone,
A lot of love gone wrong,
But your beat will drive her by the feet
Whoa, Oh, Oh, Oh, Oh

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We gotta keep our mind embed in romance

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We wanna give nothing a chance,
Dance

Music, You're the only love I had
You give me so much power
Say I'll forget about that man
Just a little louder

Primed by the latest song,
Won't matter once you come along
So I'll dance (dance), Dance til the honey is gone
Whoa, Oh, Oh, Oh, Oh

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We gotta keep our mind embed in romance

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We wanna give nothing a chance

Take me high, Music takes me higher
Way up high, High up to the sky, yeah
Take me high, Flip me up and let me fly,
Let me fly

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We gotta keep our mind embed in romance

Dance, We only wanna get up and dance
Ooh-hoo, Ooh-hoo
Dance, We wanna give nothing a chance
