Hey Santa I want you here
If you stay it will give me so much cheer
Everywhere I go
There is always so much snow
Here is all the Christmas cheer
And yes it's finally here

Santa are you ready to go
Santa do you think we should know
That your here now
Santa Clause (2x)

Santa is almost here
You there get ready to cheer
Santa is coming to town
And is coming around tonight
Tonight

Santa are you ready to go
Santa do you think we should know
That your here now
Santa Clause (2x)

Maybe I could talk it through
Maybe I could stick you
So you better stay me

Santa are you ready to go
Santa do you think we should know
Santa are you ready to go
Santa do you think we should know
That your here now
Santa Clause (2x)
