Where you been? Where you been?  
It's that same old question again  
What's the use baby, what's the use?  
They ain't gonna turn us loose

You got dirt all over your face  
And your lipstick is way out of place  
Are we gonna tell 'em what we told 'em  
Every time before?

Yeah! Yeah! Yeah! Yeah!

They won't leave us alone  
They want us to come home  
We've been busy makin' merries  
And pickin' wild mountain berries

We're pickin' wild mountain berries  
That's our excuse every time  
Cause we've been busy makin' merries  
And pickin' wild mountain berries

I don't know, I don't know  
If I can keep from lettin' it show  
What's my plan, now tell me what's my plan?  
You know they won't understand

You know my hair is a drippin' wet  
Well, and my clothes are soakin' wet  
And we didn't go  
Swimmin' in a cement pond

Yeah! Yeah! Yeah! Yeah!

They won't leave us alone  
They want us to come home  
We've been busy makin' merries  
And pickin' wild mountain berries

We're pickin' wild mountain berries  
That's our excuse every time

Cause we've been busy makin' merries  
Whoa, and pickin' wild mountain berries

They won't leave us alone  
They want us to come home  
We've been busy makin' merries  
And pickin' wild mountain berries

We're pickin' wild mountain berries  
That's our excuse every time  
Cause we've been busy makin' merries  
And pickin' wild mountain berries
