I remember when I first saw him
Something told me that I couldn't ignore him
& I've been dreamin' of him every night ever since we
met
'Cause he's the kind of boy you can't forget

I remember when I first kissed him
He touched my hand & then I couldn't resist him
& though he kissed me 'bout a week ago, I ain't got
over it yet
'Cause he's the kind of boy you can't forget

Wo wo wo wo wo, wo wo wo wo wo
I could be so happy knowing he was mine all the time
& I could make him happy, I would treat him good, yes I
would, wo wo
Wo wo wo wo wo, wo wo wo wo wo

Gotta tell him that I adore him
There is nothin' that I wouldn't do for him
I won't be happy till I make him mine & a wedding day
is set
'Cause he's the kind of boy you can't forget
