Father Sebastian

Father Sebastian how are you  
May I take a moment of your time?  
Can I tell you  
About a friend of mine?  
Boy has this guy lost his way.  
His baby left him yesterday.  
Oh will she come back to him,  
Father Sebastian?

Every guy who comes to you  
Says you really understand.  
I sure... I mean "he"  
Needs a helping hand.  
Boy has this guy lost his way.  
His baby left him yesterday.  
Oh will she come back to him,  
Father Sebastian?

Her love meant so much to me...  
I mean "him".  
Oh tell me will she ever  
Come back again?

Father Sebastian what's the use?  
I guess you've known from the start.  
I confess I'm the one  
With a broken heart.  
Boy has this guy lost his way  
My baby left me yesterday  
Oh will she come back to me,  
Father Sebastian?
