Ooh when the horn sounds the stars will go by  
I wake from the dream now I roamed a magic sky  
The bird has flown away to freedom from it's cage  
To turn to whence it came, to the true beginning of the  
page

Brother come come with me up to highest light  
Sorrow won't follow all pain is left behind  
As water flows to wet and fire burns to dry  
Rejoin your own true home and leave this world behind  
you now and die

(B3 solo)

A world of endless joy waits for you this day  
I now release myself to flow with light into eternal  
death

I'm always with you, you'll never die  
Lead me from darkness into the light  
From illusion into the light  
I'm gonna be with you now help me try

Into the light  
Into the light  
Into the...
