Im gonna wait till the midnight hour
Thats when my love comes tumblin down
Im gonna wait till the midnight hour
When theres no one eles around

Im gonna take you girl, and hold you
And do all the things I told you
In the midnight hour, yes I am, oh yes I am
One more thing, I just wanna say right here

Im gonna wait till the stars come out
And see that twinkle in your eyes
Im gonna wait till the midnight hour
Thats when my love, begin to shine
Youre the only girl I know, that really love me so
In the midnight hour, oh yeah, in the midnight hour
Yeah, alright, play it for me one time, now

Instrumental

Im gonna wait till the midnight hour
Thats when my love come tumblin down
Im gonna wait, way in the midnight hour
Thats when my love begin to shine
Just you and I, oh baby, ha! just you an I
Nobody around, baby, just you an I
Alright, you know Im right
Im gonna hold you in my arms, just you and I
(fades).....in the midnight hour, oh baby, in the
midnight hour
