Let's go.

If you can gaze into the future.(Future,future)

You might think life would be a breeze.(Life is a breeze)

Seeing troubles from a distance.Yea~~(Go Rae)

But it's not that easy.(Oh,no)

I try to save the situation,

Then I end up misbehaving.(Oh,woah,woah)

Hey now, Say now.

About to break down.(Yeah)

Come on and ride with Rae now.

wait the future looks great now but everythings gonna
change now

That's so Raven, it's a future I can see.

That's so Raven, it's so mysterious to me.

That's so Raven, it's a future I can see.

That's so Raven, it's so mysterious to me.Yea!

(Raven) Yup, that's me!
