Lipstick On My Face
Thunder In The Sky
The Shades Are Drawn
Don't Ask Me Why

But With The Ghost Riders On The Go
I Think You Know
But With The Ghost Riders On The Go
I Think You Know
It Goes Something Like This

Crater In My Brain
Where The Strippers Go Insane
Cabin Number 4
Ain't Gonna Smile No More

But With The Ghost Riders On The Go
I Think You Know
But With The Ghost Riders On The Go
I Think You Know
It Goes Something Like This

Attack Of The Ghost Riders
