Dream, little girl on Lonely Street  
Little runaway girl  
Do it again, do it again

Your boyfriend's mean  
And your mom's a bitch  
Little runaway girl  
Do it again, do it again

Run, run, runaway little girl and  
Get your foot in this trashy world  
Empty-hearted bus by your side  
Lick your lips and fuck suicide

Suicide (whoaaa oh)  
Not tonight (whoaaa oh)  
Suicide (whoaaa oh)  
Not tonight

You're all right for love  
New York's the shit  
Little runaway girl  
Do it again, do it again

On the Brooklyn Bridge  
You fix your stare  
East River sleeps  
Do it again, do it again  
Do it again, do it again

Run, run, runaway little girl and  
Get your foot in this trashy world  
Empty-hearted bus by your side  
Lick your lips and fuck suicide

Suicide (whoaaa oh)  
Not tonight (whoaaa oh)  
Suicide (whoaaa oh)  
Not tonight

Run, run, runaway little girl and  
Get your foot in this trashy world

Empty-hearted bus by your side  
Lick your lips and fuck suicide

Suicide (whoaaa oh)  
Not tonight (whoaaa oh)  
Suicide (whoaaa oh)  
Not tonight
