All the lights are comin' on now  
How I wish that it would snow now  
I don't feel like going home now  
I wish that I could stay

All the trees are on display now  
And it's cold now  
I don't feel like going home now  
I wish that I could stay

I wish that I could walk...  
I wish that I could walk you home

All the lights are comin' on now  
How I wish that it would snow now  
I don't feel like going home now  
I wish that I could stay

Santa's comin to town  
With secrets in his hands  
Santa's comin to town  
With secrets in his hands
