Wanna dance with Rock'n'roll
Come on and love my dirty soul
Wanna dance with black tonight
Come on honey and make it right
Come on, Come on

Wanna dance with Rock'n'roll
Come on and kiss my dirty soul
Wanna dance with cool tonight
Come on honey lets attack the night
Come on, Come on, Come on, Come on

Wanna dance with Rock n'roll
Come on and love my dirty soul
Wanna dance with black tonight
Come on honey and make it right
Come on, Come on, Come on, Come on
