Come In From The Rain Lyrics
[Manchester, Sager]

Well, hello there
Good old friend of mine
You've been reaching for yourself
For such a long time
There's so much to say
No need to explain
Just an open door for you
To come in from the rain
It's a long road
When you're all alone
And someone like you
Will always take the long way home
There's no right or wrong
I'm not here to blame
I just want to be the one
Who keep you from the rain
From the rain
And it looks like sunny skies
Now that I know you're alright

Time has left us
Older
And wiser
I know I am
'Cause I think of us
Like an old cliché
But it doesn't matter
'Cause I love you anyway
Come in from the rain
And it looks like sunny skies
Now that I know you're alright
Time has left us
Older
But Wiser
I know I am
And it's good to know
My best friend has come home again
And I think of us

Like an old cliché
But it doesn't matter
'Cause I love you anyway
Come in from the rain
Come in from the rain
Come in from the rain
