I know it's late to call  
I don't blame you if you're angry  
But these are things that only  
Old lovers understand

I remember rainy nights like this when  
We'd go to bed real early  
And try to catch each other's dreams  
And wake up holding hands

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming  
But we never felt so warm  
We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning and  
Make love all day long

I hope you know it's not that  
I've got no one else to go to  
'Cause I keep thinking of you  
Even when I'm not alone

Now I'd love to hear you say I'm still  
The one you can't say no to  
That you'll take me back tonight  
For all the love we've known

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming  
But we never felt so warm  
We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning and  
Make love

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming  
But we never felt so warm

We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning and  
Make love

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming  
But we never felt so warm  
We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning and  
Make love all day long
