I wake up and see

The light of the day

Shining on me

Make my own time

It's mine to spend

Think to myself

My own best friend

It's not so bad all alone

Comin' home to myself again

Now I understand

Whatever I feel is whoever I am

Watching my life and how its grown

Looking on back to friends I've known

Its not so bad all alone

Coming home to myself again

It's not so bad to get lost in my tears

And to laugh and to cry for the years gone by

Oh my, oh my,

Now somehow I know

I've come a long way

Got a long way to go

But something inside

Keeps making me strong

And in the bad times

I'll get along

'Cause it's not so bad all alone

Comin' home to myself again

I'm Comin' home
