Please don't let this feeling end
Its everything I am
Everything I want to be
I can see what's mine now
Finding out what's true
Since I found you
Looking through the eyes of love
Now I can take the time
I can see my life as it comes up shining now
Reaching out to touch you
I can feel so much
Since I found you
Looking through the eyes of love
And now I do believe
That even in the storm well find some light
Knowing you're beside me
Im all right
Please don't let this feeling end
It might not come again
And I want to remember
How it feels to touch you
How I feel so much
Since I found you
Looking through the eyes of love
And now I do believe
That even in the storm well find some light
Knowing you're beside me
Im all right
Now I can take the time
I can see my life as it comes up shining now
Reaching out to touch you
I can feel so much
Since I found you
Looking through the eyes of love
