oooooh, ooooooooh  
Whenever I Call You Friend  
I begin to think I understand  
anywhere at all you and I have always been  
forever and ever

I see myself within your eyes  
And that's all I need to show me why  
Everything I do, always brings me home to you  
Forever and ever

Now I know my life has given me  
More than memories  
Day by day we can see  
In every moment there's a reason to carry on

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it...

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it...right

Whenever I Call You Friend  
I believe I've come to understand  
Anywhere at all you and I were meant to be  
Forever and ever  
I think about the times to come  
Knowin' I will be the lucky one  
Ever our love will last  
I always want to call you friend

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it...

whenever I call you friend

Now I know that my life has given me more than  
memories  
day by day we can see  
in every moment  
there's a reason to carry on

Sweet love...showing us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it, doin' it...  
repeat  
sweet love  
sweet love  
sweet love
