You wanna fuck, fuck, fuck
But your hearts not innit.

You wanna fuck
Said you wanna get innit.
Wanna get fucked
But your hearts not innit.
You wanna fuck
Said you wanna get innit.
Wanna get fucked
But your hearts not innit.

Said he had a twleve inch
Couldnt find a hat to fit.
Baby you're a liar
Here's one I bought earlier.
Any guy that's pressing me
Best be wearing a jimmy
Unless you wanna marry me
Gimme all your babies.
You can not be running round
Sexing every girl in town
Then coming back to me
Bringing me an STD.
If you got that twelve inch
Boy you better make it fit
If you got that 10 inch press
Boy you better strap that vest.
You can not be running round
Sexing every girl in town
Baby you're a liar
Pants on fire!

Feel my real heat
Feel my real heat spirit.
Feel my real heat
Feel my real heat spirit.
Feel my real heat
Feel my real heat spirit.
[Taste]
Feel my real heat
Feel my real heat spirit.

[Taste]

Lick Me Out

Lick it stick it
Roll it heat it
Don't stop
Gotta get it.

Lick it stick it
Roll it heat it
Don't stop
Gotta get it.

Fuck, Fuck, Fuck, Fuck, Fuck, Fuck, Fuck, Fuck, Fuck,
Fuck, Fuck, Fuck, Fuck, Fuck, Fuck, Fuck.

You wanna fuck, fuck, fuck
But your hearts not innit

Taste.

Taste.

You fuck, fuck face.

You wanna fuck
Said you wanna get innit.
Wanna get fucked
But your hearts not innit.
You wanna fuck
Said you wanna get innit.
Wanna get fucked
But your hearts not innit.

Lick it stick it
Roll it heat it
Don't stop
Gotta get it.

Lick it stick it
Roll it heat it
Don't stop
Gotta get it.
