

The Reason

"I'll Be Around"

I, I've been around before
And lately I've been lost and on the lam
Nights, I've been lying on the floor
I think of things I know I'll never have
Oh, I don't understand

I'll be around til you go

My eyes have seen some things
The kind of things I never thought to see
For miles, the foothills frame the trail
The kind of place that makes you want to stay
And never want to leave

I'll be around til you go

I know the way
I know the way it ends
I've been before
I won't go back again
Won't go back again

I'll be around til you go
