When I feel so heavy-headed like nobody  
else could be  
I just run from every bottle I see  
Call me dirty workman, IÂ'm just doinÂ' what I  
love  
And IÂ'm lucky just for being who I want!!!  
LIFE AINÂ'T WHAT U ASKED FOR, U BETTER  
REALIZE IT  
SO DONÂ'T U WAIT FOR ANITHING WITHOUT  
LOVE  
Why canÂ't u see this, now IÂ'm leaving from  
my shell  
Could U please send all my messages back?  
For my head is an ocean U will never ever  
sail  
For the storm UÂ'll find can make U give up!  
ThereÂ's a lifetime to feel better  
ThereÂ's a hell can bring U close  
But my face will light the dark, shine like  
gold  
ThereÂ's a neverending riot, like a blade can  
make u bleed  
ThatÂ's the secret buried under my skin!!!
