Fameless, can't get out but I'm fameless  
Yes, I talk about fame, man!  
What's the matter with stardom  
We're gonna break it through!  
It's a nice nice slavery we're ridin' to  
we just find ourselves atractive...  
handin' out autographs by the swimming  
pool  
I should find out a way but I don't know how  
I'm gonna spit heart & brain out  
One more time, for THE SHOW, we will satisfy  
all of your true need of freshness  
it's a hard way back if we fail the hit  
fillin' up our nights with the same old beat...  
so ride it...
