Hey man, look at the man on stage
He's overshakin' out!
Wave legs, make the tide slow down &
shock
for feeling blue...
YOU'RE THE EQUALIZER
PLEASE DON'T FAIL!
IF U RECOGNIZE THE PERFECT WAVE
I got the secret mix, the secret drug
I want you to loose!
I got the only key so feel the groove, just
feel the GROOVE...
BLACK LINES CUT THE DANCEFLOOR, baby
WHITE AS NOISE U MOVE
FREEZE MY BODY DOWN, cool dancer
THEN MIXDOWN YR BONES
AS NO DOCTOR CAN
I'm waitin for the Mixdown,
please don't fuck around!
(X4)
DO THE MIXDOWN NOW!!!
