Lipstick on my footswitch & two glitterin' eyes
I got sunshine on my moodstream for a new
coloured mind
and a walk like an egyptian, u should better believe
me!
TWENTY MILLION\$ COLOURS RESOLUTION
I GOT AN OVERLOADED SCREEN FUZZIN' ABOVE!
Slow down !
I'll wake up one day with an hole in that
screen
U will see through so my thoughts will be free
each one shocks up for there's no lasting time... to
live! oh yeah!
TWENTY MILLION\$ COLOURS RESOLUTION
I GOT AN OVERLOADED SCREEN FUZZIN' ABOVE!
