In the shadows of broken wings  
The dead eyes of a skinless god  
Give praise to the open flesh wound of oblivion  
We've come so far crossing the plains of death  
To find your empty throne  
While the nations of the earth  
While the nations of the earth  
Are devoid of all feelings  
Great destroyer take me away  
Take me  
Devoid of feelings  
Existence escape this shallow body  
Take me away  
I've seen enough to know  
I've seen enough to know your god is dead  
Existence escape  
This shallow body in the shadows of  
Existence escape  
This shallow body take me away  
I've seen enough to know
