My spirit lay
Within a shattered heart
Forever preserved forever dreaming
Waiting to be born
To walk the world
To touch a broken sky
Waiting to be born
Waiting to be born
Here we go into darkness
As visions fill me of a spirit
Always falling
Forever preserved
Forever dreaming
Trapped for eternity
Trapped in eternity
Waiting at the height
Of a thousand years
Waiting at the height
Of a thousand years
My spirit lay
Within a shattered heart
Forever preserved
Forever dreaming
Waiting to be born
To walk the world again
To touch a broken sky
Waiting to be born
Divine rupture
Divine rupture
To walk the world again
To touch a broken sky
To walk the world again
To touch a broken sky
Waiting at the height
Of a thousand years
My spirit lay
Waiting to be born
