Employing reverence  
And caution to approach  
God in man  
We have gone where death cannot follow  
A place without mirrors  
Without a face to look  
Beyond the shores of time  
Into eternity  
Where my slaughtered remains  
No longer follow where I go  
No one can follow  
Where sin and guilt  
Hold no truth  
In a future undefined  
We are all embedded in the final sphere  
Where thought no longer passes  
Through a decaying mind  
This is where I'll take you  
Where an endless soul can escape a human god  
This where I'll take you  
Where thought no longer passes a decaying mind  
This is where I'll take you  
Where an endless soul can escape a human god  
This is where I'll take you  
A place without mirrors  
Without a face to look into eternity  
Where death cannot follow  
This is there I'll take you  
This is there I'll take you  
This is there I'll take you
