I know you can't hear me
But that does not mean
I don't want you to feel me
Oh it's just a matter of time
'Till you are mine
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by
I realize
There's so much more that I could ever learn
You're an angel in disguise
Don't cry I'll be home soon
You know want only to be with you
It's just a matter of time
'Till you are mine
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by
I realize
There's so much more that I could ever learn
You're an angel in disguise
And the truth is
I am scared all the time
I'm terrified
When I think of the world without light
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by
I realize
There's so much more that I could ever learn
You're an angel in disguise
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by
I realize
There's so much more that I could ever learn
You're an angel in disguise
