Look into my eyes
I am the one(I am the one)
Who you despise(Who you dispise)
Cause I exposed your lies
And it's my turn(And it's my turn)
To watch you burn (to watch you burn)

I hope you choke
On the letters that you wrote
Telling me that you will be here till the end
You'll never see
A different side to me
A side that you just did not ever understand

Sing it like last time
With every line(With every line)
Ends with a rhyme(Ends with a rhyme)
You'll get great reviews
But I refuse (But i refuse)
to be reused (to be reused)

I hope you choke
On the promises you broke
Telling me that you would always be my friend
You'll never see
A different side to me
A side that you just did not ever understand

I hope you choke (on the messages you wrote)
I hope you choke (on the promises you broke)
I know you'll choke (on the messages you wrote)
I know you'll choke (I hope you'll choke)

I hope you choke
On the promises you broke
Telling me that you would always be my friend
You'll never see
A different side to me
A side that you just did not ever understand

I hope you choke (on the messages you wrote)

I hope you choke (on the promises you broke)
I know you'll choke (on the messages you wrote)
I know you'll choke (I hope you'll choke)
