You know that you are  
The center of my attention  
And you leave me no choice.  
Tripping on to the floor  
Looking at my reflection  
As I follow the chord to your voice  
As it rings on through  
Your voice clearly receptive  
Like the day we met I knew.

Don't hang up on me, cause  
I'm hang up on you  
Don't tell me how to feel  
Like you always do.  
I know you're right  
I don't want to fight  
Is this how our story ends  
Or a new chapter begins?

As the days roll by  
Can't help myself  
Just sit and wonder why  
Was it something I said  
Something I did my girl?

Your wilted roses make me cry  
A sentimental sign of rejection  
As I follow the chord to your voice.  
As it rings on through  
Your voice clearly receptive  
Like the day we met I knew.

Don't hang up on me  
Cause I'm hang up on you  
Don't tell me how to feel  
Like you always do.  
I know you're right  
I don't want to fight  
Is this how our story ends  
Or a new chapter begins?  
Begins...

Don't hang up on me  
Cause I'm hang up on you  
Don't tell me how to feel  
Like you always do.  
I know you're right  
I don't want to fight  
Is this how our story ends  
Or a new chapter begins?

Don't hang up on me  
Cause I'm hang up on you  
Don't tell me how to feel  
Like you always do.  
I know you're right  
I don't want to fight  
Is this how our story ends  
Or a new chapter begins?
