The clock at the table  
Seems to enable me  
To see the time that I have spend alone  
Selfish is easy it's also completely free  
But it's nothing if no one is there to share  
All the good times all the bad times  
Let me know  
If I dive too deep  
You'll pull me out  
If I try to speak you'll hear me out  
If I get to weak you'll hold me close  
And tell me I'm fine  
You know the worst lines come at the best times  
And I know that I can be so difficult  
But that's why I love you  
There's nothing that I could do  
Without you I am only miserable  
All the good times all the bad times  
Let me know  
If I dive to deep  
You'll pull me out  
If I try to speak you'll hear me out  
If I get to weak you'll hold me close  
And tell me I'm fine  
If I dive to deep  
You'll pull me out  
If I try to speak you'll hear me out  
If I get to weak you'll hold me close  
And tell me I'm fine  
Tell me I'm fine  
I'm your strength  
We achieve  
I know that your the sun that's looking down  
With all my heart I believe  
If I dive to deep  
You'll pull me out  
If I try to speak you'll hear me out  
If I get to weak you'll hold me close  
And tell me I'm fine  
If I dive to deep  
You'll pull me out

If I try to speak you'll hear me out  
If I get to weak you'll hold me close  
And tell me I'm fine
