I told myself  
That I was wise  
That I was strong  
But Realized  
That I was much closer to wrong

Do you believe in a future you can change  
Imagine everybody living for today

Don't lose hope  
Even though you can't see it I know  
Things are getting better  
Don't let go  
We are here with you, you know  
Everyone needs time  
So don't lose hope

You tell yourself  
That you are weak  
That you are so ugly  
And you cry yourself to sleep each night  
You're incomplete  
But do you believe in a future you can change

(Lift up your eyes)  
Lift up your eyes  
And see that choice is linked to destiny

Don't lose hope  
Even though you can't see it I know  
Things are getting better  
Don't let go  
We are here with you, you know  
Everyone needs time  
So don't lose hope

In the darkness I feel blind  
(In the darkness I feel blind)  
Lead me back into the light  
(Lead me back into the light)  
In the darkness I feel blind

(In the darkness I feel blind)  
Lead me back into the light  
Ohh woahh oh

Don't lose hope  
Even though you can't see it I know  
Things are getting better  
Don't let go  
We are here with you, you know  
Everyone needs time  
So don't lose hope
