Hey girl, you know you drive me crazy.
One look puts the rhythm in my hand.
Still will never understand why you hang around.
I see what's going down.

Cover up with make-up in the mirror.
Tell yourself it's never gonna happen again.
You cry alone and then he swears he loves you.

Do you feel like a man
When you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to
end
As your lies crumble down, a new life she has found.

A pebble in the water makes a ripple effect
Every action in this world will bear a consequence
If you wade around forever you will surely drown
I see what's going down.

I see the way you go and say you're right again,
Say you're right again
Heed my lecture

Do you feel like a man
When you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to
end
As your lies crumble down a new life she has found.

One day she will tell you that she has had enough, it's
coming round again.

Do you feel like a man, when you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to
end
As your lies crumble down, a new life she has found.

Face down in the dirt she says, this doesn't hurt she

says I finally had enough.
