I know this isn't a good time for you  
And if it's not just know I may not be here when you  
need me  
Sometimes I feel like I would die without you  
And if it's too early don't worry when I say I'm sorry now

Hang on till this moment,  
It will be all over soon

(Chorus)  
Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home

Is this what life is supposed to be about?  
Sometimes it's hard but I will help you understand it  
somehow  
The only thing that I want from you is trust  
Together we will make it through this world we must

Hang on till this moment,  
It will be all over soon

(Chorus)  
Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home

But if I should fall  
And you should move on  
Our eyes watch out for you from up above

Now don't take this wrong  
But you should move on  
Our eyes watched over you from up above

This could be the last time that I speak with you  
But just in case let's make them best of what we have  
until this through

(Chorus)

Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home
