1, 2 let's go!

There's lots of crazy crazy things this world
Will offer you
And there's no way
To fake what you've been through
So just hold on to what you know is true

Pull me back again
I need you to
Pull me from my sin
Pull me back again
I need you to
Pull me from my sin

At times it seems
Like there's nowhere left to turn
It's true
I like to think that
We could help each other
Rise up past the things
We're going through

Pull me back again
I need you to
Pull me from my sin
Pull me back again
I need you to
Pull me from my sin

1, 2

1, 2 LET'S GO!

Pull me back again
I need you to
Pull me from my sin
Pull me back again
I need you to
Pull me from my sin

Pull me back again

Pull me back again
