Whooooooooo, Whooooooooo, Whooooooooo, whoa!

Whooooooooo my eyes
Whooooooooo closing to me...

Love!

Don't you try to take me down.
No!
Don't you try to take me over.
Won't you try to break me!
No!

The complexity is moving in.
And I feel that I do not have the strength.
Tragedy is plaguing me solemnly.
It's affecting my will.

But wait!

Now that I've found you
Situations of dark now change to break.
Disregarding my absence of memories.
It's perpetually blinding me of sanity.
And just when I am getting in,
As I try to scout these walls,
Jericho falls around me.
And I feel that I've stayed too long.

And darkness is fading in.
And darkness is real.

Whooooooooo
My eyes!
Whooooooooo
Closing to me...

What's life!

Fate seems to recreate.
I just cannot escape!
Something holds me down and makes me act a way I

can't explain.
Even now I can feel it coming over me choking me
As I am falling behind
You can take over me
But you have no clue what my dreams could show you.

And darkness is fading in.
And darkness is real.

Whoooooaa
My eyes!
Whoooooaa
Closing to me...

What's life!

!!

Can't!

Can't wait!

Tell me what you see.

I feel something
Deep inside me.
I feel deep inside... me!

I feel something deep inside me.
And I can't let this go.

I feel something deep inside me.
And I can't let this go.

Life!

As I try to stick around.
As I try to stay sober.
This is taking me over.

And my dream's complicated.

And I can't let us go!
And this is what I tried to tell you!

I just!
Cannot!
Win!

I see you.
I see you you...

Falling away.
I see you you...

You...

Killing me softly.

I see you you
Falling away.
I see you you...
You...

Don't take
What's in front of me.
Open eyes can see
I have everything.
I told you don't take
What's in front of me!
Tell you don't take
What's in me!

Love!

What's with me!
When I feel this come my way.
Waaay oooh...
That's what I hate, love

Whoaaaaaaaa
Whoaaaaaaaa
Whoaaaaaaaa
Whoaaaaaaaa
Whoaaaaaaaa.

I see you coming coming my way.
Dreams may fall
More every day.
But I see you
Walking my way.

And I try!
Try to separate!
Dreams from reality!

Try to set us the way that I wanted.
Try to stay righteous!
Try to stay sober!
But I can't win!

And I know you...
And I know you...

And I know you...

WIN!
