

The Red Jumpsuit Apparatus

"Valentine"

Visit "[Valentine](#)" on MotoLyrics.com

I was flipping through the cards down at the drugstore
And
I found one I thought you would adore so I bough it
Walking back from the line to my car never seemed so
Far before
The day I stopped to think how I would feel if I lost
You

But if this is my dying breath, I just want you to hear
Me,
Hear me say I love you one last time
So will you be my Valentine for forever not one day,
'Cause when this day is over know my feelings haven't
Changed
No my feeling haven't changed about you

Candy hearts and chocolate bars can't substitute for
The feeling in your heart
So don't bother
Flowers are a loving gesture but you know you can do
Much better
If you try you can say it with the look in your eyes

But if this is my dying breath, I just want you to hear
Me,
Hear me say I love you one last time
So will you be my Valentine for forever not one day,
'Cause when this day is over know my feelings haven't
Changed

So will you be my Valentine no my feeling haven't
Changed
So will you be my Valentine no my feeling haven't
Changed
So will you be my Valentine no my feeling haven't
Changed about you

But if this is my dying breath, I just want you to hear
Me,
Hear me say I love you one last time
So will you be my Valentine for forever not one day,

'Cause when this day is over know my feelings haven't
Changed

So will you be my Valentine?
So will you be my Valentine?
So will you be my Valentine?
So will you be my Valentine?
