I don't need needles in my skin,
To satisfy this grin,
Oh all I'm craving is you
I don't need powder in my nose,
And thinking no one knows,
Oh but you know they do

Oh, yes you know that they do
Oh, yes you know that they do

You are the one who gets me high
And helps me shine down on everyone I meet
You are the one who gets me through
And I'll always be true, to you as long as you are to me

My girl don't need a diamond ring,
And many fancy things
Oh to know my loving is true
She can tell from the smile upon my face,
That there is no other place
That gets me higher it's true

Yeah, it gets me higher it's true
Yeah, it gets me higher it's true

You are the one who gets me high
And helps me shine down on everyone I meet
You are the one who gets me through
And I'll always be true, to you as long as you are to me

Oh, that gets me higher than you
Yeah, nothing gets me higher than you

You are the one who gets me high
And helps me shine down on everyone I meet
You are the one who gets me through
And I'll always be true, to you as long as you are to me

Oh, that gets me higher than you
Oh, that gets me higher than you
Yeah, nothing gets me higher than you
