Gather up our things  
Watching useless colours  
And hoping they dont near  
Dont give them one last Crier  
And now they come

(oooooo)

And now they come

Now Im so  
Calvery we're falling  
Down that door  
Calvery we're falling  
And now we can't

We went round and back in their tin tin shines right  
through  
See another useless day dream  
Remote contorling you  
And now they come

Now I know Calvery We're Falling  
The tin That Door  
Now i know Calvery We're Falling  
And now we can't

Destroy The Robots x6

Me I know

The Robots x11

(ah ah ah)

Their pushing, Their pushing me down  
And im not gonna take them ????  
Me i know!

Now i know Calvery we're Falling  
You're ???? Calvery We're Falling

And now we can't
