Awakening from fire, with foul stench and decay
They rise from their knees
The veil is lifted and their damnation lost beneath

The horror once unseen is now upon their existence
Defiance is fruitless

For he is free, this is the end of the world
Their protectors left them out in the cold
For he is free, this is the end of the world
Their protectors left them out in the cold

Coming up from the lake of fire to bring oppression
And pestilence his army amassed and ready to bring
DEATH
PLAGUE
Nothing can stand in their way now
DESTROY
ERASE
This is the end of the world

Soon they'll fall from above and paradise will cease to
exist
Leaving you begging for mercy
Praying for DEATH

Fucking bow down
A new ruler for all to fear

The serpent, the leader of the fallen
A king has come to claim a crown that is rightfully his
To take a seat in the throne that he was promised,
promised

For he is free, this is the end of the world
Their protectors left them out in the cold
In the cold
In the COLD
Not a soul will be spared, this will relentlessness at it's
finest
Not a hope in the world

REPENT

Your last chance to show penitence

The sky turns to fire

Their hearts fill with despair

The horizon falls in darkness

The apocalyspe looms
