Are you fine
Or feelin' down again?
Are you all right?
You're safe in here my friend
Cuz I've been on that path before
I know how it feels at the door

Are the stars
out to shine for you?
Strength that comes
Drivin' down the avenue

I've been on that path before
I know how it feels at the door

When you're inside
outside
You're watching this unfold

Inside, outside
Well isn't this a ...

Is it time?
Or can you stay awhile

Maybe I..

Cuz I've been on that path before
I know how it feels at the door

When you're inside
outside
You're watching this unfold
inside, outside
Well isn't...

When you're watching this unfold
Oh
Isn't ..

Are you fine?
Or feelin' down again

Are you all right?
You're safe in here my friend
