To change
To stay the same
In a different frame(?)
It's just different
Inside, tonight
Feels like starting over
Its not too much
Its just starting over

Go prove it for yourself
If you want to live
You can't change until...

You change
For yourself
And no one else
Only you can tell if it's different
Inside, tonight
Feels like starting over

Its not too much
Its just starting over

Go prove it for yourself
If you want to live
You can't change until...you change

Its not enough, yeah

Inside, tonight
Feels like starting over

Its not too much
Its just...

Go prove it for yourself
If you want to live
You can't change until you change

You've changed
