You know I've got a little baby  
She's got big brown eyes  
Oh when she walks down the street she looks at  
Other guys  
I get so very jealous and I'm starting to cry  
Now I done my baby with the big brown eyes

(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes

The other night I took her to a  
Movie show  
Sitting and a-watching in the very last row  
I got all set to kiss her and?  
She told me cool down daddy and take it slow

(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes

Well now my heart is breaking and you'd feel the same  
If you had a pretty baby who made you feel ashamed  
I've taken her around and I've fought off other guys  
Because they all go crazy over big brown eyes

(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes

Well now you know my story and you  
Know my woman  
Her eyes say yes but her lips say no  
I keep on living 'til the day I die  
Love my baby with the big brown eyes

(Big brown eyes) Big brown eyes  
(Big brown eyes) Big brown eyes  
(Big brown eyes)
