

The Ref And Show Presents "Festivus Is Upon Us"

Visit "[Festivus Is Upon Us](#)" on MotoLyrics.com

The season of holidays has almost passed.
The days of the year are coming to their last.

Ooh baby... Festivus

Channukah is over, kwanza and krismas are near.
Why wait when festivus is already here.

Ooh baby...Festivus

A donation to the Human Fund has been made in your
name.
Money for people who would do the same.

Ooh baby Festivus

So to represent the rest of us.
Have a happy happy happy festivus.

(spoken)

It's The Ref and The Show baby, another money song
