When it comes to money,  
Ya just cant do it yourself,

Hook up with the cash boys, their money, baby  
Anron Produces we just sing, thats money baby

Manhattan comedy dont pay well  
Its sad that artists need the dough

Hook up with the cash boys, their money, baby  
Anron Produces we just sing, thats money, baby

They do the movies,They do the TV  
They are doing music because they got faith in me

Hook up with the cash boys, their money, baby  
Anron Produces--We just sing, thats money baby
