God Bless

You are the Lord
The famous one, famous one, Great is Your name in all
the earth
The heavens declare
You're glorious, glorious, Great is Your fame beyond
the earth

And for all You've done and yet to do
With every breath I'm praising You
Desire of the nations and every heart
You alone are God
You alone are God

The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful
You are beautiful
