Let's get up and leave this town I just want to go right now Once we get out of here No one will notice That we disappeared So what do you say we go right now Get away from everyone That hangs around They seem so insincere So why don't we just Leave them here And move on Mooooove on Move on Mooooove on We'll find some new place nice Some other city Or the country side We'll make new friends in time We'll pack up and say good-bye And move on Mooooove on Move on Mooooove on Move on It's been six long years Six years of hanging about Without a care It don't matter where we go Anywhere is better, Iknow So-o mo-move on Mooooove on Move on Mooooove on Move on Mooooove on Move on Mooooo-oove on Come on let's get away So far away Come on let's runaway, runaway

Runaway today! And move o-on Moooooove on Move on Move on Move on Move move on Move move on Move move on
