(say goodbye, forever)
Come here and pick me up
(I'll take you out)
Let's go to dinner
(we could do whatever)
I know you don't know me at all and
(I don't know you and)
You don't do things like this ever
It's so nice (it's so nice) in your car
(and in my car)
The music sings sweetly
(the stereo is playing)
Walk across the bridge to the beach
(Santa Monica)
Yeah, kiss you while it's raining (yeah, kiss you while
it's raining)
(and it's raining)
Say goodbye (so say goodbye)
Say goodbye forever (goodbye forever)
I'm in such a lonely place (it's a lonely place)
And I could be forever (goodbye)
Your place is so much different than mine (but it's so
normal)
It's so calm and peaceful (It's so calm and peaceful)
(so quiet and empty)
I could lay in your living room (room)
(you could stay in my room)
As long as possible
In the back of the taxi I feel
(I watched you get in the taxi)
Loss of home and country
(you still don't know me)
Back down to the storage space, yeah
(as you go down)
L.A. can be so lonely
Say goodbye (so say goodbye)
Say goodbye forever (goodbye forever)
I'm in such a lonely place (it's a lonely place)
And I could be forever (goodbye)
I know this is the only day we'll spend together
(strange days, strange nights, short time, strange life)
And I know, I know, I know, after this it's over forever

(strange days, strange nights, a strange place in a
strange life)

Oh

Say goodbye (so say goodbye)

So say goodbye forever (goodbye forever)

You've put me in a lonely place (in a lonely place)

Where I could be forever (I could be forever)

So say goodbye (so say goodbye)

Say goodbye forever (goodbye forever)

You put me in a lonely place (in a lonely place)

Where I could be forever

Oh
