its a bright day
its the right view
central park right in front of you
there's a misstep
a missed phrase
she's the wrong gal
its the wrong day

(its the last romantic day)
its the wrong day
(its the last romantic day)

its first date
in the day time
boy you show age in the bright lights
she got bad form
and a short fuse
in the sunshine she's a cold muse

(its the last romantic day)
whatcha gonna to do
(its the last romantic day)

welcome to the brand new day
past the golden age
the Technicolor fantasy fades to grey
welcome to the brand new you
on the last romantic day

so about in and about out
take a white flag
wave it all about
its to much now
too soon
too much for you

(its the last romantic day)
too much for you
(its the last romantic day)

(its the last romantic day)

and its going away
(its the last romantic day)

(its the last romantic day)
and its almost over
(its the last romantic day)
