20/20

Lover to enemy
You can see it now
You had plenty
Thought it wasn't any
You moved back downtown

So lonely together

70/30

Fight fair to dirty
Blah blah love and war
No no one's perfect
Wonder if it's worth it
All you want and more

So lonely together
Ask yourself did it really even matter?
So lonely together
Ask yourself did it really even matter?

Love 'em, leave 'em
Liars you believe in
So ask yourself
Did it really even matter?

Screws on loosely
Learned love from the movies
Anger from your dad
So unstable
Get it all on the table
Best you ever had

So lonely together
Ask yourself did it really even matter?

Love 'em, leave 'em
Liars you believe in
So ask yourself
Did it really even matter?

50/50
Lover to enemy
You can see it now

So lonely together
So lonely together
(Ask yourself did it really even matter?)
So lonely together
(Ask yourself did it really even matter?)
So lonely together
(Ask yourself did it really even matter?)
